STATE OF MISSOURI
STATUTORY MEASURE
PROPOSITION A
<i>Referendum ordered by Petition</i>
Do the people of the state of Missouri want to adopt Senate Bill 19 (“Right-to-Work”) as passed by the general assembly in 2017, which prohibits as a condition of employment the forced membership in a labor organization (union) or forced payments of dues in full or pro-rata (fair-share); make any activity which violates employees’ rights illegal and ineffective; allow legal remedies for anyone injured as a result of another person violating or threatening to violate employees’ rights; and which shall not apply to union agreements entered into before the effective date of Senate Bill 19?
State and local government entities expect no costs or savings.

GRANDVIEW R-II SCHOOL DISTRICT
PROPOSITION SAFE SCHOOLS
Shall the Board of Education of the Grandview R-II School District, Missouri, be authorized to increase the operating tax levy ceiling by \$0.5000 to \$3.5982 per one hundred dollars of assessed valuation in order to provide additional funds to hire a student resource officer, retain qualified staff, maintain its facilities, and meet the operating expenses of the District?
(The District intends to reduce the debt service levy by \$0.5000 per one hundred dollars of assessed valuation in order to offset the estimated \$0.5000 per one hundred dollars of assessed valuation increase to the operating levy. This will result in no net increase to the total tax levy if this Proposition is approved by the voters.)
