

NOTICE OF PUBLIC HEARING JEFFERSON COUNTY, MISSOURI, COUNTY COUNCIL

In accordance with §304.130 RSMo, and to promote the public health, safety, and general welfare, and to protect the life and property of those using the roads in Jefferson County, Missouri, the Jefferson County, Missouri, County Council will hold three public hearings regarding amendments to the existing traffic code and Code of Ordinances for Jefferson County, Missouri, controlling vehicular traffic upon the public roads and highways in the unincorporated territory of Jefferson County, Missouri.

The times and dates for said public hearings are as follows:

Monday, April 23, 2018 6:30 p.m.

Monday, May 14, 2018 6:30 p.m.

Tuesday, May 29, 2018 6:30 p.m.

Citizens of Jefferson County are urged to attend these public hearings, held in the Assembly Room in the Jefferson County Administration Center, 729 Maple Street, Hillsboro, Missouri, and will be asked to submit comments or input, in writing to the County Council. The proposed changes to the Jefferson County Traffic Code may be viewed on the Jefferson County, Missouri website: www.jeffcomo.org. If you are unable to attend any of the public hearings but would like to submit written comments or input, please mail the same, with a postmark no later than **May 19, 2018** to:

County Council of Jefferson County, Missouri

Attention: Traffic Code Comments

P.O. Box 100

Hillsboro, MO 63050

DEPARTMENT OF PUBLIC WORKS
PROPOSED CHANGES TO THE TRAFFIC CODE

Public Hearing Dates are as follows:

Monday, April 23, 2018 at 6:30 p.m.

Monday, May 14, 2018 at 6:30 p.m.

Tuesday, May 29, 2018 at 6:30 p.m.

PROPOSED CHANGES ARE AS FOLLOWS:

DELETE from CHAPTER 305, SECTION 305.010

The Jefferson County Council may by ordinance establish those locations at which traffic signal controls shall be installed. The Highway Administrator shall install and maintain the proper traffic signal controls on other than highways in accordance with Schedule I of this code. The State Highway Commission shall install and maintain the proper traffic signal controls on highways in accordance with Schedule I of this code.

ADD to CHAPTER 305, SECTION 305.010

The Jefferson County Council, with recommendation of the Highway Administrator, may by ordinance establish those locations at which traffic signal controls shall be installed. The Highway Administrator shall install and maintain the proper traffic signal controls on other than highways in accordance with Schedule I of this code. The State Highway Commission shall install and maintain the proper traffic signal controls on highways in accordance with Schedule I of this code.

DELETE from CHAPTER 305, SECTION 305.020 (A)

A. The County Council may, by ordinance, limit speed on all portions of highways as engineering investigations show the necessity for such limitations with the concurrence of the State Highway and Transportation Commission.

ADD to CHAPTER 305, SECTION 305.020 (A)

A. The County Council, with recommendation of the Highway Administrator, may by ordinance, limit speed on all portions of highways as engineering investigations show the necessity for such limitations with the concurrence of the State Highway and Transportation Commission.

DELETE from CHAPTER 305, SECTION 305.030

The County Council may, by ordinance, pursuant to Section 304.130, RSMo., set the speed limit and stop sign locations for any County owned and maintained road. Such speed limits and stop sign locations for roads shall be included in Schedule III.

ADD to CHAPTER 305, SECTION 305.030

Pursuant to Section 304.130, RSMo and with recommendation of the Highway Administrator, the County Council may, by ordinance, set the speed limit and stop sign locations for any County owned and maintained road. Such speed limits and stop sign locations for roads shall be included in Schedule III.

DELETE from CHAPTER 305, SECTION 305.040

The County Council shall set the speed limit and stop sign locations for any private road dedicated for public use located within private subdivisions in the unincorporated territory of Jefferson County, only in such subdivisions where a majority of the lot owners in such subdivision make such a request in writing. Such speed limits and stop

sign locations for roads shall be included in Schedule III, provided however, that the subdivision does by written agreement agree to erect and maintain all necessary speed limits and other traffic control signs as may be required in order to enforce such traffic control regulations.

ADD to CHAPTER 305, SECTION 305.040

The County Council, with recommendation of the Highway Administrator, shall set the speed limit and stop sign locations for any private road dedicated for public use located within private subdivisions in the unincorporated territory of Jefferson County, only in such subdivisions where a majority of the lot owners in such subdivision make such a request in writing. Such speed limits and stop sign locations for roads shall be included in Schedule III, provided however, that the subdivision does by written agreement agree to erect and maintain all necessary speed limits and other traffic control signs as may be required in order to enforce such traffic control regulations.

DELETE from CHAPTER 305, SECTION 305.050

A. The County Council, with recommendation of the County Engineer, shall set special speed limits for school zones and set the times when such special speed limits shall be in effect. Special speed limits for school zones shall be set no less than twenty-five (25) m.p.h. or at a rate of speed not more than ten (10) m.p.h. below the speed limit established by ordinance for the portion of the roadway in which the school zone is located, and is set forth and described in Schedule III.

B. All special speed limits for school zones shall be in effect for intervals determined by the County Council, with the recommendation of the County Engineer, provided such

intervals shall be between the hours of 6:00 a.m. and 6:30 p.m., Mondays through Fridays. The County Engineer shall review all school zones ensuring proper zone lengths and appropriate school zone signing consistent with the current edition of the Manual for Uniform Traffic Control Devices. The special speed zone signs shall display the speed limit and effective times as established by the County Council.

C. At such school zones, as the County Engineer or County Council deems appropriate, the County Engineer is authorized to install flashing beacon assemblies on the posted school zone speed limit signs for the purpose of indicating that special speed limit for the particular school zone is in effect when the beacon is flashing.

ADD to CHAPTER 305, SECTION 305.050

A. The County Council, with recommendation of the Highway Administrator, shall set special speed limits for school zones and set the times when such special speed limits shall be in effect. Special speed limits for school zones shall be set no less than twenty-five (25) MPH or at a rate of speed not more than ten (10) MPH below the speed limit established by ordinance for the portion of the roadway in which the school zone is located, and is set forth and described in Schedule III.

B. All special speed limits for school zones shall be in effect for intervals determined by the County Council, with the recommendation of the Highway Administrator, provided such intervals shall be between the hours of 6:00 a.m. and 6:30 p.m., Mondays through Fridays. The Highway Administrator shall review all school zones ensuring proper zone lengths and appropriate school zone signing consistent with the current edition of the

Manual for Uniform Traffic Control Devices. The special speed zone signs shall display the speed limit and effective times as established by the County Council.

C. At such school zones, as the Highway Administrator or County Council deems appropriate, the Highway Administrator is authorized to install flashing beacon assemblies on the posted school zone speed limit signs for the purpose of indicating that special speed limit for the particular school zone is in effect when the beacon is flashing.
