XVIII. OTHER MATTERS

A. County Council Motions Regarding Future Agendas

County Executive Gannon explained Item A Under Other Matters will be the part of the Agenda where Councilmembers can make motions and vote on items they would like placed on future Agendas. Council Member Groeteke asked for clarification. Council Member Reuter read a pts from the Charter, Council Rules and State statutes.

B. Discussion and Disposition of 2nd Amendment Resolution

Council Member Perry stated she hoped all Council Members had a copy of the resolution and read a statement: “The second amendment resolution act that is being presented tonight goes far beyond fighting to keep law-bidding citizens in Jefferson County the ability to bear arms for me. Unfortunately, the need for this type of statement should be a wakeup call to everyone at the possibility that our inalienable rights are being challenged. I come to you tonight, not only as a fellow elected Council woman, but also as a 22-year Army Veteran, a 26-year tenured social worker entrenched in supporting people with mental health illnesses and a victim of domestic violence. As each of you, my fellow council members, contemplate your opinion of this resolution know that it is an extension of your beliefs and what type of governance you stand for. As Francis Hutcheson wrote “For wherever any invasion is made upon unalienable Rights, there must arise either a perfect, or external Right to Resistance. Unalienable Rights are essential limitations in all Governments”. All of us were selected by the citizens of this county and swore an oath to uphold, support and defend the Constitution of the United States of America, the Constitution of the State of Missouri, and the Home Rule Charter of Jefferson County MO. Section 1.6.3 of the Home Rule Charter states “Jefferson County may not abridge any rights of the people that are protected by the MO Constitution and the Constitution of the United States of America.” Please remember, the Declaration of Independence as it guides us, and I quote ““We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable rights, that among those are Life, Liberty and the pursuit of Happiness”. While there is not a specific list of rights that are inalienable to the Constitution, there are some accepted as natural rights: For example, **To act in self-defense** or **To be secure in one’s home, The right to exercise one’s own religion, or no religion**, free from any government influence. This Resolution is about uniting together as a Council and protecting the rights of law bidding citizens under the United States Constitution as we were sworn to uphold. In closing, as the Bible states, “Live as people who are free, not using your freedom as a cover-up for evil, but living as servants of God” Peter 2:16.”

Council Member Perry made a motion the Resolution for Approval for the Second Amendment be placed on the Agenda for the April 12, 2021 Council Meeting, seconded by Council Member Stallman.
