## FOR IMMEDIATE RELEASE

July 13, 2023

### COUNTY EXECUTIVE GANNON APPOINTS MITCHELL BAIR AS NEW DIRECTOR OF COUNTY SERVICES AND CODE ENFORCEMENT

**JEFFERSON COUNTY, MO** – Jefferson County Executive Dennis Gannon has appointed Mitchell Bair as the new Director of County Services and Code Enforcement. Bair’s appointment was approved by the Jefferson County Council at the July 10, 2023 Council Meeting. He replaces Eric Larson who resigned earlier this year.

“Bair is a Jefferson County native and actually began his career here in the County Services and Code Enforcement Department back in 1997”, said Gannon. “He has gained a vast amount of experience during his time away from Jefferson County that I think is going to be of great benefit.”

“I’m very excited to be back home,” said Bair.

Bair has over 25 years of government experience with planning, code enforcement, inspections and management. His experience includes working with all levels of organizations to build, develop and guide communities in organizational, economic and community development.
