Re: Proposal for Restricted Substance Intervention Program (RSIP)

To Whom it May Concern:

On behalf of the Safety Council of Greater St. Louis, I am pleased to submit, for your consideration, our proposal for participation in the Jefferson County RSIP program.

The Safety Council of Greater St. Louis is a non-profit, 501(c) (3), non-governmental, non-political, public service organization dedicated to serving the Greater St. Louis Metropolitan Area through safety and health education. Our **Mission** is to help people live longer and healthier lives through accident prevention. The Safety Council does not receive federal or state funding, but rather, generates revenue through memberships, donations, and education programs.

HISTORY: The Safety Council of Greater St. Louis had its beginnings in 1916 when a small Safety First Committee of the old Business Men's League was organized. Its original purpose was for the promotion of industrial accident prevention work. Until 1918, the Safety Council operated as a part of the Chamber of Commerce and had no budget. In 1918 with a paid staff, the Safety Council left the Chamber of Commerce and began to devote itself to traffic matters as well as industrial issues. In 1919 the Safety Council became a chapter of the National Safety Council. By 1920, the Safety Council expanded its work into the home, school and other fields. Annual reviews by the National Safety Council are necessary to continue chapter status.

PROGRAMS: The Safety Council currently serves the St. Louis community through a variety of programs, a sampling of some of these are: Community Safety - SafeLife®, Safetyville; Community Traffic Safety - Defensive Driving, Alive @25; Occupational Safety & Health – education, training, & conferences; Behavior Based – Anger Management, Financial Management, Petty Larceny; and Drug and Alcohol - SATOP, REACT, ADEP, Victim Impact Panel.

The Safety Council of Greater St. Louis has been successfully providing SATOP and court related educational programs for more than 20 years. We are confident we can satisfy the needs of Jefferson County through our certified, competent, well qualified, and experienced instructors who have extensive backgrounds in probation, parole, training, and counseling.

We are confident we can meet all the requirements of the Jefferson County RSIP program and we propose a fee of 45.00 per student.

By selecting the Safety Council of Greater St. Louis for your Court, the funds received from the RSIP program will allow us to continue to offer our outreach programs to help the children of the region become safer and to promote our mission of living safety at work, home, and play. Much more information can be found at our website stlsafety.org.

We are grateful for this opportunity to submit our quotation, and we will gladly answer any questions you may have.

Most sincerely,

William R. Jaggi, CSP

Executive Director
