Statutory Measures

Proposition A

Proposed by the 89th General Assembly (Second Regular Session)

Section 190.440, RSMo Supp. 1998

Shall the Missouri office of administration be authorized to establish a fee of up to fifty cents per month to be charged every wireless telephone number of the purpose of funding wireless enhanced 911 service?

Yes 14874 No 29161

Proposition B

Proposed by the 89th General Assembly (Second Regular Session)

SS HCS HB 1891

Shall sheriffs, or in the case of St. Louis County, the chief of police, be required to issue permits to carry concealed firearms to citizens who apply if various statutory requirements are satisfied?

Because of the discretion given to local law enforcement to verify the accuracy of applications, the cost are uncertain. Application fees are estimated to cover most costs for the first three years. Subsequently, local governments, as a whole, may incur costs from \$500,000 to \$1,000,000 annually, not covered by fees.
