Contract Term:
 UPON APPROVAL OF THE
 COUNTY COUNCIL AND
 COUNTY EXECUTIVE

The undersigned certifies that he/she has the authority to bind this company in an agreement/contract to supply the commodity or service in accordance with all terms, conditions, and pricing specified. This Bid, if accepted, will constitute an Agreement and Contract with Jefferson County, Missouri, upon approval of the County Council and County Executive. Prices are firm during this agreement term, unless agreed upon in writing by the County. The County has the option to renew this agreement at the same terms and conditions as the original agreement for two additional one-year term with the written consent of the successful Bidder. Price increases for renewals are not authorized unless approved in writing by the County.

Jefferson County Department of Administrative Services

"LARGE STONE 2016"

Please see pricing below for all Bussen Quarries operations located in Jefferson County.

Antire Quarry: 6800 Bussen Road Eureka, MO 63025

Trautman Quarry: 8799 Trautman Quarry Road Pevely, MO 63070

House Springs Quarry: 5200 Hillsboro-House Springs Road House Springs, MO 63051

Pricing below is good at all three above locations. Haul rates with an added large stone surcharge are included on the bid sheet based on mileage and may vary slightly between the various quarries.

Quarry Run is available at all three locations as 2" Minus for \$ 5.60/ton at Antire and House Springs and \$ 5.30/ton at Trautman.

Gabion is only available at Antire Quarry and is priced at \$ 11.50/ton.

All locations supply large stone via handmade "DROP BALL ROCK". Drop Ball Rock is sold as-is and produced in an effort to meet the specific desired gradation of various Rock Ditch Liner and Revetment stones on a per job basis. If a specific gradation is requested beyond the normal material we keep on the ground, a visual approval is required before sale. There are no guarantees made as to the gradation especially in terms of the fines allowed in a pile. Advanced notice and desired gradation are required for any special orders requested. Our standard Drop Ball usually contains a 24" top size with graded material included.

It has been our experience that our Regular Drop Ball Rock works well for Type One Rock Ditch Liner. Type Two Rock Ditch Liner usually requires a special order. Light Stone Revetment and Heavy Stone Revetment always require a special order.

Drop Ball Rock is available at all three locations for \$ 14.00/ton.
Special Order Drop Ball Rock is \$ 20.00/ton.

Haul surcharge of \$.75/ton for Antire Gabion.
Haul Surcharge of \$ 1.50/ton for Drop Ball.
